Your Bus timetable

Our bus services take you around the Sydney metropolitan area and further afield, including Newcastle, the Lower Hunter, the Central Coast, the Blue Mountains, Lithgow and the Illawarra. If you have any questions about getting around on buses, just ask. Staff are here for you.

Your ticketing options

MyBus and MyMulti

Bus routes are broken into sections, so you only pay for the distance you travel. MyBus tickets are based on these sections. They are valid for use on buses in all areas, except for services operated by Newcastle Buses.

You can purchase MyBus tickets (bus travel only), Pensioner Excursion and MyMulti tickets (combining train, bus, ferry and light rail travel) from ticket sellers and Transport Shops. MyMulti tickets are also available from ticket offices and ticket vending machines at train stations and selected ferry wharves. Pensioner Excursion and MyBus single tickets can be purchased from the bus driver, except on PrePay-only routes and at PrePay-only stops.

PrePay

Purchasing your ticket before you get on the bus helps speed up boarding times and keep buses on schedule. Most services in the Sydney CBD are PrePay-only on weekdays between 7.00am and 7.00pm, except public holidays. Some bus routes, interchanges and suburban bus stops are also PrePay-only, and these are shown on the timetable map, at the bus stop or on the front of the bus. Many PrePay tickets (like MyBus TravelTens) offer multiple rides and are discounted, so you can save time and money by pre-purchasing your ticket.

Opal card

You can use an Opal card to pay for your travel on public transport using the new electronic ticketing system. Opal is being progressively rolled out across the train, ferry, bus and light rail networks and will be completely rolled out in 2015.

The Opal card means no more ticket queues or worrying about which ticket to buy – just top up and go. Set up auto top up (similar to an e-tag) so your card is always ready for travel.

You can get an Opal card online at opal.com.au or by calling **13 67 25** (13 OPAL).

Accessible services

All new buses have stepless, low-level floors, with space for wheelchairs, prams or strollers. Wheelchair-accessible buses also run on selected bus services. Look for the symbol  in this timetable. Some older buses may not have all the features you need. There will be more accessible services as older buses are replaced.

We try to make sure accessible buses run as intended. If an accessible bus is not available for a scheduled route, we apologise in advance for the inconvenience.

How to use this timetable

- Go to the route map at the back of this timetable and find the two timing points your bus stop is located between.
- Then find these two timing points on the timetable.
- Your bus is scheduled to arrive between the times shown for these points.

For example

If your bus stop is located between timing points A and B on the route map, then your bus is scheduled to arrive between the times shown for A and B in the timetable. Please arrive at your bus stop around 5 minutes before your bus is scheduled.
