

FitZroy Zen

I would highly recommend staying at FitZroy Zen. It's a beautiful space, with lots of thoughtful touches for comfort. The outdoor area with sliding doors to let in fresh air and natural light was a huge plus. The bed was really comfortable with a selection of different pillows to choose from. It is in a fantastic location, an easy walk or tram ride into the CBD, but the apartment itself was very quiet. Lewis and Curt were really helpful with communication.

I will certainly book again when I need to stay in the area. A very special place at a good value price.

FitZroy Zen is a quiet, private apartment for one person or a couple located in the heart of everything that is quintessentially Melbourne. We are on the edge of the CBD opposite the ornate Carlton Gardens, yet moments walk from the hippest inner city suburbs of Fitzroy, Collingwood and Carlton. You can walk everywhere you need to go.

Located in a restored Heritage building opposite the Royal Exhibition centre, this is a modern fully renovated ground floor apartment with a contemporary Japanese twist. It includes a queen sized bedroom, fully equipped kitchen, dining table for 6, living room with Smart TV (Netflix, Stan and Binge) and sound bar.

There is a private outdoor terrace including a calming water feature and bamboo and, uniquely, FitZroy Zen includes a separate meditation room. This room can be used as a massage room - please contact us if you are interested in renting FitZroy Zen for this purpose.

Double glazing, reverse cycle a/c and heating in the bedroom ensures that the apartment remains a perfect temperature all year round whatever Melbourne summer or winter may be doing outside.
